## End of Colonial Laws

People of this country have been experiencing the colonial mindset of rulers since the transfer of power on August 15, 1947. Upholding the spirit of “Panch Pran” prescribed by prime minister Narendra Modi from the ramparts of red fort on August 15, 2023 the parliament of India passed three historic legislations replacing 160 years old laws governing Criminal Justice System in the country and its citizens. These new laws not only replace the new laws but also replaces the intent of punishment by the essence of Justice to both victim and culprit. The Bharatiya Nyaya Sanhita, 2023 will replace Indian Penal Code (IPC), The Bharatiya Nagarik Suraksha Sanhita will replace Criminal Procedure Code (CrPC) and The Bharatiya Sakshya bill will replace the Indian Evidence Act, 1872 The Bharatiya Nyaya Sanhita, 2023.

A variety of offences like child abuse, crime against women, mob lynching etc. have been given sufficient place in the law concerned. It is for the first time that any country across global has defined terrorism in a comprehensive manner. “Raj Droha” shall now be “Desh Droha”. New Bhartiya Sakshya Sahinta has given more importance to technology enabled evidences and forensic outcomes. The new set of laws will the Surely change the mindset of the people and expediteous justice. Not limited to this the

Government of India, under the leadership of PM Modi has come up with several other new laws of which the older version had colonial smell.

(A constituent college of Rajasthan Technical University, Kota)

## Principal's Message

Dear Students,

I extend a warm welcome to all members of our engineering college community as we embark on a new year 2024. The academic journey is a unique opportunity for personal and academic growth, exploration, and collaboration. Let us approach it with genuine enthusiasm, unwavering dedication, and a shared commitment to excellence.

Our college stands as a vibrant hub of innovation, and I strongly encourage each of you to actively participate in research, projects, and extracurricular activities. The wealth of opportunities available on campus is meant to enrich your overall learning experience.

Remember, our dedicated faculty is here to support you in your academic endeavors. Do not hesitate to seek guidance whenever needed. Additionally, I urge you to take full advantage of the diverse extracurricular activities and opportunities for personal growth that our institution provides.

As we navigate the challenges that lie ahead, I encourage you to push the boundaries of knowledge, embrace collaborative efforts, and strive for greatness. Success, after all, is a journey rather than a destination. Make the most of the resources available to you.

It's crucial to recognize that success is not solely measured by grades. The skills, knowledge, and relationships you build during this academic journey are equally significant. Embrace challenges as opportunities for personal and intellectual development, and always feel free to seek guidance from your professors and peers.

Together, let's foster a culture defined by curiosity, creativity, and collaboration within our institution. I have full confidence in each of you and your ability to make a positive impact in the world through your contributions to the field of engineering.

I am optimistic that, collectively, we will create an environment that nurtures learning, creativity, and a strong sense of community. Wishing you all a fulfilling and successful new year 2024.

Warm regards,

**Dr. D. K. Sharma**  
Principal

## Editorial

### Good Bye 2023

Dear Readers,

It is with immense delight to ink the captivating experience housed across 2023 which went full of achievement's at all levels. Country observed significant quantum of achievements from earth's crust to terrestrial boundaries. Indian economy became the fastest growing economy carving the path from fragile to vibrant trait, where digital infra and fintech played the important role, whereas highway, I-way and railway Infra have excelled deep impact on it. Atma Nirbhar Bharat movement got booster when India started exporting defence products, manufactured Tejas (LCA), strengthened armed forces with made in Indian ships, torpido, aricrafts, long-range missiles, and what not. Constructions of chenab bridge, progressive USBRL, Bharat Mandapam, Yashobhoomi, new parliament building, world's largest trade building "Surat Diamond Bourse" are marvels India created in 2023. Social justice is reflected in 'Naari Shakti Vandan Adhiniyam 2023' where women are empowered by reserving one-third seats in parliament and state legislative assemblies.

Indianization of education system and internationalization of institutions have started becoming ground reality. IIT, Madras and IIT Delhi have opened their overseas campuses. Academic Bank of Credits (ABC) is well received in the system and gaining popularity among graduating students. India's Presidentship of G-20 and SCO took its stature to next level of excellence in global leadership, when India became the voice of global south. Revamping of Kashi Vishwanath Corridor, Vindhya Corridor, Mahakal Corridor are few iconic examples of ensuring conservation of rich spritual heritage in the country which probably motivated other countries including Islamic countries like Saudi Arab and Dubai creating Hindu temples.

The year 2023 marked a series of remarkable achievements for the college. Notably, the addition of the Library annexe expanded the college infrastructure. Fresh Textile Graduates secured the highest-ever annual package of INR 27 Lakhs, reflecting outstanding career prospects. Faculty development initiatives, including qualification enhancements and long-awaited career promotions, significantly enriched the academic environment. Moreover, impressive GATE ranks added to the year's successes, bringing immense joy to the college community.

(A constituent college of Rajasthan Technical University, Kota)

# THREE & HALF DECADES JOURNEY OF MLVTEC

The genesis of MLVTEC lies 35 year back when growing Bhilwara witnessed the inception of a unique degree level institute under the name MLV Textile Institute, Bhilwara offering UG course in Textile Technology in 1988. Approved by All India Council for Technical Education (AICTE), it was affiliated to the University of Rajasthan, Jaipur till 2006. At the same time the college was renamed as MLV Textile & Engineering College, Bhilwara.

Beginning of 21st century observed the diversion from a Government funded institution to an institution run in hybrid mode incorporating self-financing UG programs in IT, ECE, and ME and PG in Textiles spanned over the period of time 2001 to 2011.

Experiencing the trails and toils, the institute routed through several milestones reaching to the stature of a research level institute in 2015 and became a constituent college of Rajasthan Technical University, Kota in November 2021 through Government notification.

The inflow of students through JEE has been maintaining the quality and standards of graduation leading to good placement records in a State Engineering college like this where INR 27 Lakh is the all-time high annual package.

Technical Education Quality Improvement Program (TEQIP) – II & III added State of the art infrastructural facilities to the college and industrial support fostered the academics and qualified faculty & staff nurtures the values making its pupils effective human resource for the world of work.

Year 2023 has been marked as celebration of 35 years with sparkling highlights through a commemorative magazine housing the experience of its stakeholders.

(A constituent college of Rajasthan Technical University, Kota)

# A tribute on 75th Birth Anniversary

In 1988, M. L. V. Government Polytechnic College in Bhilwara transformed and ascended to a degree-level institution and adopted the name M. L. V. Textile Institute, Bhilwara, or MLVTI. This autonomous institute, under the shield of the M. L. V. Textile Institute Society, Bhilwara, gained administrative and financial autonomy from the Technical Education Department of the Government of Rajasthan. However, academic activities remained under the range of the University of Rajasthan, Jaipur.

Born on December 16, 1947, in Bhiwani (Haryana), Sh. S. K. Sharma, a textile post-graduate from the Technological Institute of Textiles, Bhiwani, assumed the role of the first Principal of Manikya Lal Verma Textile Institute, Bhilwara, on August 19, 1989. Despite being physically challenged, he embraced the challenging task of developing the institute by the norms

set by the All India Council for Technical Education (AICTE), New Delhi, and the regulations of the affiliating University, UoR Jaipur.

Driven by a vision to transform MLVTI into a premier University of Textile, Dr. S. K. Sharma tirelessly worked towards this goal from the day he assumed office. Unfamiliar with the workings of the government system, he quickly adapted, learning the intricacies of file handling, obtaining formal approvals, and issuing orders. As the member secretary of the Governing body, he efficiently presented development plans for necessary approvals. Facing the challenge of establishing an exclusive institution offering an undergraduate course in Textile Technology, he encountered difficulties in recruiting qualified faculty and staff. Despite these challenges, he successfully increased the annual intake and enriched the lab facilities. Dr. Sharma's efforts shaped the institute's infrastructure, a source of pride for the present generation.

By 1993, Dr. Sharma introduced additional undergraduate courses, B.E. (Textile Chemistry) and B.E. (Textile Engineering), responding to the growing needs of the textile industry in Bhilwara. He motivated faculty and staff to enhance their academic qualifications and earned his Ph.D. from M D University Rohatak (Haryana) in 1998. However, despite his hard work and development initiatives, Dr. Sharma faced administrative and procedural shortcomings highlighted during a local body audit. Temporarily relieved of his position, he diligently addressed the objections raised but, unfortunately, could not resume his role as the head of the institution. Eventually, he opted for voluntary retirement following decisions made by higher authorities.

Dr. S. K. Sharma's positivity and resilience defined his tenure as Principal. Despite challenges, he consistently avoided discouraging the MLVTI community, always offering blessings and goodwill. His humility reached extraordinary levels when he extended his blessings even to the person responsible for the tragic loss of his life partner. Such a gracious personality continued contributing to education in Bhilwara until his passing on June 5, 2012, at the age of 64, succumbing to a severe heart attack.

This candid tribute celebrates Prof. (Dr.) S. K. Sharma, an academic and administrative warrior, wishes for his soul to rest in peace while his legacy of positivity continues to guide us in our world of work.

**Dr. D. N. Vyas**  
Associate Professor, OIC - ECA

“The future belongs to those who believe in the beauty of their dreams.”

## Tattoo Making Competition

In a celebration of creativity, the Art and Craft club of MLVTEC hosted a Tattoo-Making competition on November 23, 2023. The event, graced by the presence of the club's office bearers and esteemed attendees, showcased a spectrum of artistic expressions revolving around the themes of nature, space, mythology, fantasy, aesthetics, and the astrology world. The competition's primary objective was to unearth and spotlight the hidden talents of the students, providing them with a platform to display their unique artistry.

The Winners are:

- **Rituraj Boruah & Kanha Kumar Meher (II year, TT)**
- **Devika Chhipa (CSE) & Pooja Meena (TT) (II year)**
- **Piyush Soni (CSE) & Simar Jyot Singh (TT) (II year)**
- **Libanshi Jain (III year) & Kanak Sharma (II year) (CSE)**

## National Constitution Day

In a tribute to the 74th anniversary of the adoption of the Indian Constitution, MLVTEC celebrated National Constitution Day on November 26, 2023. The Literal Club took the initiative to honor this occasion by organizing a quiz designed to enlighten students about the significance of the Constitution. The quiz, featuring three stimulating rounds. Paper Round, Group Round and Rapid Buzzer Round.

Winner of the activity was  
**Om Nath Yogi (1st Year, IT)**

## Knockout Debate

The Tech Bizz Club at MLVTEC organized a riveting Knock Debate, exploring cutting-edge tech topics. Held on December 2, 2023, the competition witnessed active student participation in discussions spanning Space Exploration, Robotics & AI, AI's potential world dominance, Genetic Editing, Technology's impact on intelligence, and Social Media's effects on human emotions.

Congratulations to the winners:

1. **Tushar Daga (Favour) (II year, CSE-IoT)**
2. **Abhishek Singh Rautela (Favour) (II year, CSE-IoT)**
3. **Vandit Vashishth (Against) (Final year, TT)**

“The Constitution gives us the freedom to dream and achieve”

## Nirbhaya Diwas

In a poignant tribute to “Nirbhaya Diwas” on December 11, 2023 MLVTEC goes beyond commemoration, turning the day into a call to action. The Management Club of MLVTEC organized an impactful awareness program and workshops tailored for girls under the theme, “We Stand Together for a Brighter and Equitable Future.”

During the event, girls welcomed the esteemed presence of Rajini Bhansali, a dietician and karate coach, amplifying the message of holistic well-being and self-defense. Deepti Sharma, Reena Bhatnagar, Kiran Mathur, Deepika Verma, Meenu Munjal, Jayati Kumawat also graced the occasion, enriching the event with academic insights.

## Energy Conservation Quiz

In honor of International Energy Conservation Day, a seminar and quiz competition were hosted on December 14, 2023, organized by the dynamic collaboration of team M.E.C.H and IQAC at MLVTEC. The event went beyond engineering principles, exploring the essentials of energy conservation.

Quiz Competition Winners:

1. **Krishna Kanwar Chouhan (Ist year, ME)**
2. **Ashwini Vishwakarma (IIIrd year , ME)**
3. **Animesh Pandey (Ist year, IT)**

## Blood Donation Camp

On December 16th, the college commemorated Vijay Diwas along with the 75th birth anniversary of the first principal, late Dr. S. K. Sharma. The day's celebration included a blood donation drive in collaboration with Arihant Hospital and Research Sansthan, where students generously donated blood. Approximately 100 units of blood were collected during this drive. The camp was conducted under the guidance of Dr. D. N. Vyas and the medical team from the blood bank. Several individuals played crucial roles in organizing and facilitating this event, including K. G. Bhadada and Meenu Munjal from the extracurricular activities team, Reena Bhatnagar, Jayati Kumawat (Literal Secratrary), Avish Jain (Management Secretary), Vashu Shrivastav (Management Secretary), Amisha R. Patil (Cultural Secretary), Abid Raza (Discipline Secretary), Sumeet Kumar, Krishnaraj Singh, along with Vishwajeet, Abdul Rahman, Kriti Somani, Aakash, Yashvardhan, Wasim, Abhishek Singh, Shubham, Krish Chhipa, Tushar, Praveen, Saket, Vishesh, Bharat, and others who were present. Their efforts contributed to the success of the

blood donation camp, reflecting the spirit of community service and remembrance on this significant day.

“You don't have to be a doctor to save lives. Just donate blood.”

# M. L. V. Textile & Engineering College, Bhilwara

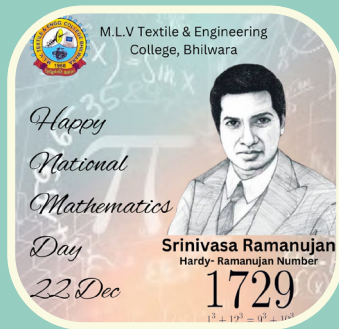

(A constituent college of Rajasthan Technical University, Kota)

## Group Discussion

In a dynamic showcase of intellectual exchange, the Tech Bizz Club at MLVTEC organized a captivating Group Discussion activity on December 21, 2023. This engaging event served as a robust platform for participants to delve into and interpret a spectrum of thought-provoking topics.

The notable contributors to the discussion included:

1. **Tushar Daga (IIst year, CSE-IoT)**
2. **Yuvraj Swami (Ist year, CSE-IoT)**
3. **Jatin Narayan (Ist year, CSE-IoT)**

## National Mathematics Day

In commemoration of National Mathematics Day, the Maths Club organized the exhilarating Mathapalooza event on December 22, 2023, paying tribute to the legendary mathematician Srinivasa Ramanujan. Dr. D. N. Vyas, an esteemed figure, graced the event, sharing profound insights into Ramanujan's achievements with the students. This activity was judged by Management Secretary Avish Jain in second round.

The event showcased the brilliance of participants through a unique quiz featuring:

Round 1: Online Quiz, Round 2: Humorous Math Equation Explanations and Round 3: Mathematical Password Decipher

1. **Yuvraj Swami (Ist year, CSE-IoT)**
2. **Vansh Parihar (Final Year, ECE)**
3. **Simar Jyot Singh (II year, TT)**

## Astro Quest

The Astro Quest, an epic astronomy quiz held on December 22, 2023, coinciding with the winter solstice, was conducted by the Tech Bizz Club.

1. **Yuvraj Swami (Ist year, CSE-IoT)**
2. **Ansh (IIInd year, CSE-IoT) & Jatin (IIInd year, CSE-IoT)**
3. **Soumendra Singh (IIIrd year, ECE)**
4. **Anurag Sen (Ist year, ME)**
5. **Samridhi Jaiswal (Ist year, CSE-IoT)**

Special Shoutouts to leaders in:- 1. Solar System Quest - Soumendra Singh & Anshuman Tiwari 2. General Space Quest - Yuvraj Swami 3. Human Space Mission Quest - Jatin Narayan & Ansh Nemiwal 4. Indian Space Quest - Yuvraj Swami

### 6th Sem results declared

The Rajasthan Technical University (RTU), Kota, announced the results for the 6th semester of 2022-23 on November 29, 2023. Exceptional academic achievements were showcased by students securing top positions across various departments in the semester exams.

#### Textile Technology

1. Deba Parsad Saho (10)
2. Harsh Vardhan (10)
3. Abhishek Saini (9.92)

#### Textile Chemistry

1. Naveen Tejwani (9.82)
2. Ronak Raj gupta (9.76)
3. Avishek Behera (9.61)

#### Mechanical Engineering

1. Babu Lal Keer (8.64)
2. Nishchay Jain (8.51)
3. Kamlesh Kumar (8.43)

#### Information Technology

1. Shrishti Lodha (9.79)
2. Abhilasha Sinha (9.7)
3. Priyal Jain (9.62)

#### Electronics & Communication Engineering

1. Murli Dhar Palod (8.38)
2. Charvi Shrivastav (8.32)
3. Shamali Verma (8.17)

### 7th Sem Exams went successfully

Rajasthan Technical University (RTU), Kota, conducted the theory exams for the 7th semester B.Tech 2023-24 from December 27 to 29, 2023. A total of 158 students across various branches participated, with exams proceeding smoothly. Notably, 69 students from Information Technology, 22 from Mechanical Engineering, 8 from Electronics & Communication Engineering, 22 from Textile Chemistry, and 37 from Textile Technology. The exams concluded without any issues, and students demonstrated their knowledge successfully.

### Vashishtha at Indo-Japan conference

Arvind Vashishtha, Assistant Professor (TPO), showcased his research work at the 1st Indo-Japan Textile Research Conference. He presented his paper entitled "An Experimental Investigation on Mechanical Properties of Woven-reinforced Thermoplastic and Thermoset Composites." The conference, jointly organized by the Department of Textile & Fibre Engineering, Institute of Technology, Delhi, and Shinshu University, Matsumoto, Japan, took place from November 27-28, 2023. Vashishtha's participation highlights the university's commitment to advancing textile research on an international stage.

"A little progress each day adds up to big results."

## Retirement of Choudhary

Virendra Singh Chaudhary, Senior Assistant at M.L.V. Textile & Engineering College, Bhilwara, retired on November 30, 2023. Throughout his illustrious tenure, he served as a pillar of support, imparting knowledge and invaluable life lessons to students. His contributions for more than 30 years extended beyond professional expertise, creating a workplace that felt like a second home. His warmth and camaraderie made him an integral part of the team, and his commitment to excellence set a benchmark for all.

As he embarks on a new chapter, we express gratitude for his years of hard work and wish him a fulfilling journey exploring new horizons in retirement.

## MLVTIANS shine @ NPTEL

Meenu Munjal, Assistant Professor in Department of Textile Technology has been titled with “NPTEL DISCIPLINE STAR” for JULY -DEC 2023. Tushar Chandrakant Patil has been conferred upon the title of “NPTEL BELIEVER” Jul-Dec 2023. Authorities of Centre for Continuing Education, Indian Institute of Technology, Madras. Principal, Dr. D. K. Sharma and Head of Department Deepti Sharma congratulated the shining faculty members and students.

Aas Mohmmad (III Year, ME) successfully completed his NPTEL course in field of “Advances in Welding and Joining Technologies” in Aug-Oct 2023.

“Retirement is a time to rest, relax, and recharge your spirit, so you can continue to make a positive impact in the world.”

(A constituent college of Rajasthan Technical University, Kota)

## Master Classes

MLV Textile & Engineering College introduces “Master Classes,” a specialized course offering first-year students an opportunity to learn Canva, InDesign, Illustrator, Photography, Sigma, and Camera techniques at no cost. Under the guidance of Dr. D. N. Vyas (Chief Proctor, Officer Incharge ECA), the course is facilitated by skilled second-year students, including Krish Chhipa (II year CSE-IoT), Surya Pratap Singh (II year - TT), Shivam Sharma (II year - ME), Bhaviraj Singh Chundawat (II year CSE-IoT), and Nikhil Soni (II year - CSE-IoT). As of now, the ongoing sessions have successfully covered Canva and InDesign, enhancing the creative skills of the participating students.

## Obituaries

The MLVTEC community mourns the loss of Durga Prasad Sharma, a dedicated technician in the Department of Textile Technology, who passed away on November 27, 2023. Durga Prasad Sharma, known for his tireless efforts and perpetual smile, served our students, faculty, and staff with unwavering dedication. The day of his departure was marked by profound sadness. The college community extends heartfelt gratitude for his invaluable contributions.

Priyanka Bagrodiya, alumina of MLVTEC from 2005 batch of B. E. (Textile Technology) left the family and friends under grief. she passed away on December 6, 2023. College family extends condolences to her family on this loss.

## Git Hub Workshop

In a collaborative effort, the Tech Bizz Club of MLVTEC joined hands with the HIDEvs community to organize a transformative GIT workshop. Led by Deepak Chawla, Ex-CTO, data science mentor, and founder of HIDEvs, the seminar on December 8, 2023, at the centralized computer lab aimed to embark on a Gen AI adventure.

Members of the Tech Bizz Club delivered an informative session, enlightening students about GIT, a powerful distributed version control system. The three-day workshop attracted enthusiastic participation from students across various branches, offering them a valuable opportunity to refine and enhance their skills.

“Smile, you don’t own all the problems in the world.”

## M. L. V. Textile & Engineering College, Bhilwara

(A constituent college of Rajasthan Technical University, Kota)

### Award of Ph.D. degree

Shyam Sundar Bairwa, an Assistant Professor, has earned a Ph.D. in “Improving Wettability of Polyester Fabric.” His accomplishment, supervised by Dr. Virendra Kumar Gupta, reflects dedication and scholarly commitment. The college extends heartfelt congratulations to him. This achievement symbolizes immense intellectual dedication and a substantial contribution to his field. Principal Dr. Sharma commends him for this remarkable milestone.

### Special Sessions

Training & Placement Cell organized a special session on “ Personality Development for Recruitment Process”. On November 1, 2023 Dr. Daneshwar Sharma, Professor (Business Communication), Jaipuria Institute of Management, Jaipur enlightened the job aspirants from all the UG programs offered in the college. Coordinator Arvind Vashishtha reported that the session was followed by SRIJAN 2023 (Science Quiz). Informative and Motivating session benefited more than 100 student aspirants.

Department of Information Technology organized a special lecture of Shanu Joshi, alumina of MLVTEC from 2021 B.Tech Information Technology and co-founder & CTO of LYNC (a company engaged in simplifying blockchain gaming and gamers onboarding) on November 2, 2023 under IQA cell in the college. Coordinator Anurag Jagetiya reported that the students of IT and CSE-IOT benefited through informative inputs given on “How India can become a leader in WEB 3.

### Atal Bihari Vajpayee

On December 25, 2023, M.L.V. Textile & Engineering College honored the 99th birth anniversary of Atal Bihari Vajpayee, India’s 10th Prime Minister. The occasion marked his exceptional legacy in governance, acknowledged through initiatives like Good Governance Day. Vajpayee, a Bharat Ratna awardee in 2015, co-founded the BJP and championed transformative national projects such as Sarva Shiksha Abhiyan and National Highway Development. His memorial, “Sadaiv Atal,” established in 2018, stands as a timeless homage, encapsulating his roles as a poet, statesman, and visionary leader.

“You can change friends but not neighbours.”

## M. L. V. Textile & Engineering College, Bhilwara

(A constituent college of Rajasthan Technical University, Kota)

### Achievements

#### Salman selected at national level

Salman Khan, a final-year Mechanical Engineering student at M.L.V. Textile & Engineering College, Bhilwara, showcased his athletic prowess on the national stage. Selected to participate in a prestigious National-level basketball competition in the West Zone, Salman proudly represented Rajasthan Technical University, Kota, at the event held in Rajasthan University, Jaipur. The college administration, including Principal Dr. D. K. Sharma, Sports Incharge A. Kaniraja, Chief Proctor Dr. D. N. Vyas, and PTI Dr. Yuvraj Singh, congratulated Salman on his achievement and extended heartfelt blessings.

#### Devika selected at national level

Devika Chhipa, a second-year CSE-IoT student at MLVTEC, earned recognition as she was selected to participate in the National-Level basketball competition (Female) in the West Zone. Proudly representing Rajasthan Technical University, Kota, Devika showcased her sporting prowess at the competition held at the Institution of Engineering Management, Gwalior.

In acknowledgment of her achievement, Principal Dr. D. K. Sharma, Sports Incharge A. Kaniraja, Chief Proctor Dr. D. N. Vyas, and PTI Yuvraj Singh extended their heartfelt congratulations to Devika and bestowed their blessings on her remarkable journey.

#### Antima got awarded scholarship of IEI

Antima Tiwari, a first-year B.Tech. (Information Technology) student, has been awarded the "IEI-ULC 33rd Indian Engineering Congress 2018" scholarship by the Institution of Engineers India, Udaipur Local Chapter. Recognizing her merit and financial need, Antima will receive INR 15,000 per year as part of this scholarship.

Antima's academic excellence was previously showcased when she secured the top position in Bhilwara district during her XII class under the Board of Secondary Education, Rajasthan 2023. Principal Dr. D. K. Sharma and Chief Proctor D. N. Vyas extend their hearty congratulations to the accomplished awardee.

"You don't get what you wish for. You get what you work for."

## Sports Corner

### Aarambh - 2K23

## Cricket

The Aarambh Cricket Tournament 2K23, hosted by the Cricket Club at M.L.V. Textile & Engineering College, showcased fierce competition among teams including Golden Stars, Diamond Dynamous, Thunder Bolts, The Tyrents, and Expensive Gems. Coached by Abhishek Jangid, Aryan Upadhyay, Arjun Dhaker, Chitranjan, and Chirag respectively, the tournament commenced with thrilling matches on October 11, 2023.

Across the tournament dates from October 1- 15, 2023 standout performances by players like Sudhanshu Vishwakarma, Mohd Danosh, and Harsh Dhawa earned them well-deserved man-of-the-match accolades.

In a gripping final showdown between Thunder Bolts and Diamond Dynamous, Thunder Bolts emerged victorious with a 59-run margin. Arjun Dhaker earned the man-of-the-match title, while Harsh Dhawa was lauded as the tournament's standout player, adding excitement to the successful culmination of the Aarambh Cricket Tournament 2K23.

## Badminton

The Badminton Club organized an exhilarating Badminton tournament at M.L.V. Textile & Engineering College from October 4 - 10, 2023. The event showcased competitive categories, including Men's Singles, Women's Singles, Men's Doubles, and Women's Doubles. The tournament commenced with an engaging friendly match among the faculty members. In a thrilling three-set match, Dakshjeet Singh Rathore secured the men's singles title, displaying remarkable agility and precision. Ayachi Sharma claimed the women's singles title, demonstrating exceptional skills and focus.

In the doubles events, Dakshjeet Singh Rathore and Ashutosh Paliwal exhibited impeccable coordination, securing the men's doubles title. Nirbilli Nancy and Sushmita emerged victorious in the women's doubles, displaying precise teamwork.

The mixed doubles champions, Dakshjeet Singh Rathore and Tanisha Sharma, captivated spectators with their remarkable coordination and skill, adding an extra layer of excitement to the successful Badminton tournament.

“Anything can happen in cricket, which is part of its appeal.”

## Kabaddi

The Aarambh Kabaddi Tournament, held at the college's Hostel Ground on November 20, 2023 showcased the dynamic spirit of sportsmanship among the college community. Four teams—NIGHT HAWKS, SPARTAN ARMY, SUMERU TITANS, and BHILWARA PYTHON—led by final-year students competed fiercely in round-robin matches.

After an exciting auction, players from all years exhibited remarkable skills and determination in the matches. The intense final between SPARTAN ARMY and NIGHT HAWKS concluded with SPARTAN ARMY emerging victorious, securing a close 55-54 points win. Beyond athletic prowess, the tournament fostered camaraderie, uniting students in the spirit of healthy competition.

“We win as a team, we lose as a team!”

# Inter-collegiate *tournament*

## Basketball (Men)

Rajasthan Technical University, Kota, recently resumed its University-level Inter-Collegiate Tournament, including the Inter-Collegiate Men's Basketball Tournament held at Swami Keshwanand Institute of Technology, Jaipur, from November 3 - 5, 2023. Teams from RTU-affiliated colleges, including M. L. V. Textile & Engineering College, participated.

The MLVTEC basketball team, comprising talented players like Salman Khan, Rhythm Nair, Vashu Shrivastav, Piyush Soni, and others, showcased impressive skills and sportsmanship during the tournament. Notably, a final-year Mechanical Engineering student from MLVTEC was selected to represent RTU in the upcoming National-level basketball tournament for the West Zone, emphasizing the exceptional talent nurtured within the university.

## Basketball (Women)

Rajasthan Technical University, Kota, infused energy into its University-level Inter-Collegiate Tournament, organizing the Inter-College Women's Basketball Tournament at Swami Keshwanand Institute of Technology, Jaipur, from November 5 - 8, 2023. Enthusiastic teams from various RTU-affiliated colleges, including M. L. V. Textile & Engineering College, participated in the spirited event.

MLVTEC's women's basketball team, led by players like Devika Chhipa, Pooja Meena, Nandini Sikligar, and others, displayed remarkable courage and skill on the court, contributing to the tournament's excitement. The event reverberated with vibrant support from cheering students, fostering a spirited and supportive atmosphere throughout.

## Volleyball

The M. L. V. Textile & Engineering College, Bhilwara Volleyball team demonstrated exceptional skills and sportsmanship at the Varchas 2023 Volleyball tournament hosted by IIT Jodhpur from October 30 to November 2, 2023. The spirited team, consisting of Tarun, Kesav Bharti, Aditya Raj Sen, Harshit Chhipa, Amit Khoiwal, Yash Sukhwil, and Anshul Khichi, impressively advanced to the semifinals, leaving a lasting impression with their performance.

Even after the final whistle of "VARCHAS 2023", the echoes of cheers and unwavering sportsmanship continued, highlighting the camaraderie and competitive spirit thriving within the MLVTEC community.

"Volleyball: where passion meets precision, and teamwork conquers all."
